

St Michael's School Collective Worship Policy

Rooted in Faith, Growing Together

Rooted in Christian principles, we are dedicated to inspiring and nurturing every member of our community to grow as resilient, empathetic, and courageous individuals. Through a commitment to aspiration, collaboration, and kindness, we foster a love of learning, a strong moral compass, and a deep spiritual awareness. Together, we empower our children to thrive academically and spiritually, becoming compassionate agents of change who positively impact the world around them.

'The seed on good soil stands for those with a noble and good heart, who hear the word, retain it, and by persevering produce a crop.'

Luke 8:15

Our collective worship provides the pupils and staff the opportunity to:

At times worship will reflect aspects of the curriculum³ and in particular will:

- Enhance social understanding;
- explore beliefs drawn from their own cultural heritage.

The Worship Space at St Michael's

St Michael's Worship takes place in the school hall. It is a space which is used for PE, school meals and other activities. In order to ensure the children are supported to see the time of worship as distinctive, we have a focal point, the leader lights a candle to remind the children of God's presence and that God is with us. At the end of Worship, the candle is blown out to remind us God's Spirit is with us as we go. This reinforces an understanding of the Trinity.

The Pattern of Collective Worship⁵

Our worships are centred around the core values of resilience, courage, empathy, kindness, aspiration and collaboration. On Mondays Mrs Perry leads the worship but once a month our partners from St. Michael's Church lead the worship, which is then reflected upon during our class worships on Tuesdays and Thursdays. Wednesday's worship focuses on celebrating our faith and values through music, as we learn new songs that align with the term's theme. On Fridays, we come together to celebrate the achievements of our children and recognise those who have embodied our values throughout the week.

Leading worship

Worship has a variety of leaders from both within school and from the local Church Community Children are given opportunities to lead worship throughout the year. Visitors are welcome to lead collective worship from time to time and are given guidance on our worship policy.

Planning Acts of Collective Worship

Our acts of worship are carefully planned to ensure a balance between content and experience.¹⁰ Leaders, including the children, plan the content and activities included in Worship according to what is most appropriate to the season/theme, and the ages, aptitudes and the backgrounds of the pupils. Throughout their time at our school children will encounter a wide variety of activities such as dance and drama alongside traditional elements of worship such as prayer and song.¹¹

Prayer is a vital part of our worship. It is introduced with a form of words that invites but does not coerce pupils to participate. Our prayers are addressed to Jesus and God reflecting the traditions and practices of the Church of England. Pupils who prefer not to pray are encouraged to use these times to reflect on the important messages shared in our worship.¹²

Our worship is regularly reviewed through discussions with participants, observation and reflection. and our evaluations are fed into the planning for future worship.¹³

A legal note¹⁴

By law, Collective Worship must:

- be provided for every child every day;
- reflect the school's Trust Deed.

Our policy sets out clearly our aspiration that collective worship will be a valuable and valued experience for all members of our school community whatever their backgrounds and beliefs. It is invitational, inclusive and reflective in nature and never coercive or indoctrinatory.

Parents have a right to withdraw their children from all or any acts of worship. In the first instance we ask parents who may wish to exercise this right to visit school to speak with the headteacher.
