## A message from Mrs Perry

Hi Everyone,

I can't believe we are 10 school days away from the end of my first year at St Michaels, this time last year I was winding down as a deputy with nervous excitement at what was to come. I went back to my old school this week for a visit and although I miss the children and staff I am very happy here and proud to be the head of such a lovely place.

I am looking forward to welcoming you all tonight for our quiz and disco, remember staff are here to enjoy it too so children are your own responsibility. There will be cold soft drinks, sweets and ice lollies for sale for £1 and 50p so please bring change. Feel free to bring your own drinks if you want anything alcoholic.

The diary for the next few weeks is very busy so please check you diaries and ask if you have any questions. Reports are going home today and parent drops ins are on Tuesday if you wish to discuss anything with class teachers. On the reports there are parent feedback boxes, it would be great to gain feedback from you all about your child's progress and experiences this year- please remember though that staff are human so please be honest but kind.

## Nursery Class Assembly

I was very proud of Nursery this week when they did their class assembly, they were clear and confident in what they did. They sang songs, did rhymes and showed their amazing art work all about People Who Help Us.

Well done Nursery for being so amazing! Thank you parents for coming to support.

## Girls Football

This week year 5 and 6 girls football team went to a Euros event at Flixton Girls, they will be attending next week too. They are representing the country France and played 3 games. They won 2 and lost 1. The girls really showed how amazing they are and showed all our school values. Special mention to Ellie who took a nasty foul from another player and just got up and carried on! Also Amelia who scored an amazing goal from a free kick!

Well done girls.

## Attendance

This week's attendance is **97.5%** with **20** late marks.

## Wrap Club and Holiday Club Fees

Due to a rise in running costs and staff wages we have had to make the decision to increase our Wrap and Holiday Club fees. The fees are standard across the week as we need to ensure that the ratios are correct for those booked on for safe guarding reasons.

You are able to use magic booking to book children onto the clubs and make changes when needed. Thank you.

## End of the year

Today is 2 weeks until the end of term and the school year. To celebrate this we will be holding an awards ceremony where we will be celebrating the values we see in children. If your child is one of the children that win an award you will be invited to attend.

Year 6 have their own celebrations planned which parents are already aware of.

I am hoping for a positive and exciting end to the school year!

## Year 5 Field Work

This morning year 5 have been out to Duttons Pond to do some field work, they were investigating Eco Systems. They looked at Animals, Plants and Trees and each group investigated something different. There was watching, measuring and drawing!

Miss Finney was very impressed with how well the children behaved and how respectful they were. Well done year 5.

## Aspiration

Aspirations are strong hopes or desires for the future, often involving personal achievement, success, or a desired way of life. We have looked at what the children aspire for. We have talked about the fact it doesn't need to be big, small aspirations are good too!

## Super Hero Day

Reception had an amazing day on Monday! They had a Super Hero day where they dressed up as a super hero and did some super hero activities! It was lots of fun making potions, making wanted posters and rescuing Spiderman from a web!

## Talk to the children

Every week I am going to share what we have looked at in our Collective Worships and pose a question for you all to talk about at home. This week's question to think about:

**If you could change one thing about the world, what would it be?**
