A message from Mrs Perry

Hi Everyone,

This week has been very busy, School Council Elections, Buddies and Football Trials. The children have been learning about resilience and they have certainly showed us that they have it!

The second Curiosity Project Session was a success with families attending and reporting that they have found it useful. We have many events this year for parents so keep your eyes peeled.

I am seeing more and more children riding their bikes and scooters to school, this is amazing but can I ask you to remind your children about the need to stay safe and to jump off their scooters and bikes when they get to the school gates to avoid collisions.

The term has got off to a busy start and we are all tired already, please rest up and make sure you have a lovely weekend ready for another week!

See you Monday.

Coats!

There are lots of children coming to school without a coat. The weather keeps changing quickly. Please make sure they bring a coat daily!

Agents of Change

Well done to Isaac and Jenson this week who were fantastic stewards at the Historical day at Church- assisting the event organisers and taking on crucial tasks such as keeping an eye on the church's silverware! Mrs Durber said it was wonderful watching them enthusiastically sharing the history of the building, and explaining the usage of the silverware and church vestments to their fellow class- and school mates. They helped to raise £600 too. Well done boys!

Talk to the children

Every week I am going to share what we have looked at in our Collective Worships and pose a question for you all to talk about at home. This week's question to think about:

What tools do you use to be resilient?

Sign Language Assembly

This week we had Gemma from Sign Me Happy to do a worship all about Sign Language. The children learnt to sign a song from KPOP Demon Hunters. It was very tricky but the children loved it! If your child is interested in doing sign language club please get in touch!

Football

This week the football trials were held, the team was chosen by Mr Bates and Steve. The first fixture is on Thursday and we can't wait to see how they do!

Well done to:

Jack	Finley
Sam	Amelia
Henry	Emma
Isaac W	George
Beau	Harry
