A message from Mrs Perry

What a busy week it has been at St Michael's.

The first football match, new clubs, Macmillan Coffee Mornings, Curiosity Project, loads of Agents of Change and so much excellent work I have been amazed!

We are now at the end of the 3rd full week and the progress made already is incredible, I have seen improvements in handwriting, incredible maths and some fantastic history work as well as some incredible spelling and times tables scores. The children are really embracing our new curriculum and I have seen lots of teachers and children reading books to help their learning- Miss Lines is very much enjoying Varjak Paw.

Next week I will be sending home a parent survey to gather your views about school and the things we do and offer here. As ever we welcome your feedback, but please remember staff will see this so I ask that people word things kindly.

This week has been challenging for many with burst water pipes causing flooding or no water at all, thank you for all pulling together and I am glad that we could remain open and consistent. Have a lovely weekend.

Agents of Change

I don't think I have enough room to write about all of the Agents of Change at St Michael's this week but I will certainly try. Cole and Riley raised over £560 for BeMoreJude by climbing Snowden is torrential rain and freezing wind! Well done boys (and your Mums who climbed with you!) Teddy has been litter picking in the local area, he filled a whole bag of rubbish from just around the block! Millie has donated toys to the Church for the Children's corner and has been out and about dropping water off for the vulnerable when they had no water this week. Hadley has been dropping water off at the elderly people's homes when they had no water earlier this week. Ella, Georgia and Jack took part in the scouts Macmillan Coffee event and raised over £200 alongside the rest of scouts. Well done to all of our Agents of Change this week, I love seeing them.

Attendance

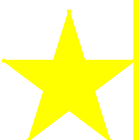

This week's attendance is **97.7%** with **21** late marks.

Reminders

Please make sure that your child is on time to school, being late has a huge impact on their day and affects attendance.

Football

Last night our football team went to play football matches with St Mary's and Acrehall Primaries. I was approached last night while at Flixton Girls and told that our children were a credit to us. I am super proud to say that our new football team WON both games! Well done to you all for showing the community we are amazing and for showing our values!

Talk to the children

Every week I am going to share what we have looked at in our Collective Worships and pose a question for you all to talk about at home. This week's question to think about:

Can you share a memory of a time you laughed uncontrollably or felt pure joy?

MacMillan Coffee Morning

Thank you to everyone who came to the Coffee Morning yesterday, anyone who baked and donated cakes, anyone that couldn't make it but got some after school or who have simply donated generously on the link. It was a lovely event and we raised (at last count) **£449.60**.

The link is still open if anyone else would like to donate. Thank you everyone!

During the morning we had a competition for people to guess the amount of conkers to win a Gonk with a light up nose. This was kindly donated by Jo Hardman. The correct answer was in fact 356 conkers. The winning entry was Jessica Thubert who guessed the closest with 350. Well done Jess!

Drama

Thank you to Niamh from Vivacity Stage School that came to do a workshop with children today. They have gone home with some information about the stage school which is on a Sunday in Sale. The children did some acting, singing, dancing and even played a game of traitors!

If you are interested in attending this on a Sunday I will be putting some information on dojo soon.

European Languages Day

Today we have spent the day celebrating The European Day of Languages. If you would like to know more about what the day is about here is a link to information which we shared in worship today.

The children in every class, including nursery, have taken part in a French lesson and have enjoyed a Croissant for their snack. The language teacher, Toni Amanda, commented on how well our children behave and how respectful they are.
