A message from Mrs Perry

Sorry for the delay in this week's newsletter, I was out all day yesterday at a conference at Gorton Monastery with Reverend Huw. It was day which was all about supporting children and staff to flourish and how us as leaders can support this while looking at our own wellbeing.

This week has been another busy week in school, we have had lots of fun and lots of learning. I have loved watching the children in their after school clubs, the front of school is looking brilliant thanks to the hard work of Mrs Prole and her club.

Mrs Nugent has been elected as the new staff governor and will join the governing body soon.

I would like to take this opportunity to say good luck to Mr Bates, he is running the half marathon this weekend. Also, good luck to Mrs Cooper who is doing the 10k Shine Walk this weekend too.

Have a lovely weekend everyone!

Agents of Change

Being an Agent of Change isn't just raising money, this week we all wore yellow for World Mental Health Day, this was to raise awareness of mental health and support children to understand what this means. The children spent time on mindful activities and watched an online assembly during the day.

Attendance

This week's attendance is **96.4%** with **16** late marks.

Friendship Festival

This week year 3 were amazing at The George Carnell for the Friendship Festival, they were supported by Wellacre School to take part in lots of games and activities with other schools in the area. Miss Lines was very proud of them all and said they really showed the school values.

Reminders

Please remind children to get off bikes and scooters at the gate and push them into school to avoid any collisions with others. Thanks

Stars of the Week

- Reception- Jessica G
- Year 1 – Mila C
- Year 2 – Harrison P
- Year 3 – Raven T
- Year 4 – Isla O
- Year 5 – Florence P
- Year 6 – Roman D

Year 1

Year 1 had a lesson with me this week after they rolled me as a prize! We read the story of My Monster and Me which is all about worries being huge. The little boy tells his family about his worries and the monster shrinks so that he can keep it in his pocket.

The children then designed and made a monster to have in their pockets.

Talk to the children

Every week I am going to share what we have looked at in our Collective Worships and pose a question for you all to talk about at home. This week's question to think about:

What did you learn this week that made you think differently?

Year 6 Church Visit

The year 6 children have been learning all about the people locally who died in the war, they spent time looking and researching online before going to St Michael's Church to see the war graves and look at names and ages of the people. Tommy was very shocked to see that there was a Thomas Gilmore!

SEND parents meetings

As everyone will know the SENCO at St Michael's is Miss Smith, this year we are doing lots of events for parents who have children on our SEND register. On 21st November Miss Smith will be holding parents meetings which will be bookable on line. The link will be sent soon to all parents who have children on the register. If you have a concern about your child who isn't on the register the first port of call is the class teacher.
