A message from Mrs Perry

I don't know how we have got to nearly Christmas already, I am unsure at what point we blinked and missed the term. The children have continued to work really hard with extra fun thrown in, this week we have been making baubles, decorating doors and having dress rehearsals of nativities.

As always though we are still hearing and supporting families who have things going on at home and want to remind families we are here if you need anything. Christmas is a happy time but we know it isn't an easy one for everyone.

Next week will be a busy one, with many exciting adventures planned and many events that will create memories for everyone. The pet quiz is still available and raffle tickets for our hamper will be on sale from Monday.

Just a reminder that we close on 19th December at 3.30pm and that we will have carols in the playground at 2.45 on that day – if it ever stops raining!

We are looking forward to inviting you all repeatedly through the door in the next few weeks. Have a lovely weekend.

Agents of Change

This week we are all Agents of Change because we all walked a mile to support The Toy House in their quest to walk to the North Pole. The children walked 160 miles collectively adding on to the total from the walking group.

Pantomime!

This week we welcomed the pantomime to school, the children were very loud shouting "he is behind you" and "booooo" they loved it and the pantomime was brilliant!

Thank you to the company for coming and sharing their talents and laughter with us!

Sport

Well done to the Netball Team who have this week been and played against 2 other schools. They showed determination, resilience and courage to keep on going. Well done everyone!

The boy's football team had an amazing time today, they played amazingly well and won 5, and lost 1 which means they came 2nd.

The dance after school club also had an amazing time this afternoon showing off their skills at the Trafford's Got Talent Showcase. Well done to both groups!

Mrs Daly and Alicia

We are sad to announce that Mrs Daly and Alicia will both be leaving Breakfast and After School Club on December 19th. Mrs Daly has been the manager of wrap for 8 years, she has been amazing and we're very pleased she will remain full time in school. Alicia has worked in breakfast club for a year and is loved by the children who attend. We wish you both lots of luck and you will both be missed in wrap.

Year 3 Class Assembly

This week we had the year 3 class assembly, the children have worked really hard to put together a fantastic assembly all about their learning on Mary Anning. They taught us who she was, how no one listened to her and how she showed courage to change people's opinions. Well done year 3 you were amazing!

Rocksteady Concert

This week we had the pleasure of watching our Rocksteady Bands perform here! The children have worked really hard to learn the skills to play a variety of instrument and how to sing to create a band. They all did amazingly well and we have some amazing talent in school.

Christmas Decorations

School is looking great at the moment, there is a Christmas Door competition amongst the staff and the children have been making their own tree decorations for the hall tree.

Walking for The Toy House

This week we all walked a mile to support a local charity called The Toy House. The Toy House is a community based charity providing space and support for members of the local community. They hold afternoon tea for the elderly, support groups for parents of twins, a safe haven for grandparents and groups for the disabled. It is all run by volunteers and the walk was to raise vital funds for the running of the provision.

Talk to the children

Every week I am going to share what we have looked at in our Collective Worships and pose a question for you all to talk about at home. This week's question to think about:

What is the difference between being physically brave (like a firefighter) and being emotionally brave (like admitting a mistake)?
