A message from Mrs Perry

Hi Everyone,

The end of week 3 is here and it has been a busy week at St Michael's. Lots of learning has taken place, competitions and school trips. This week is the challenge I set myself too, today and tomorrow I am doing 2 Hyrox races for Macmillan. So far we have £627!

This week we have been concentrating on spreading kindness, talking about how we can "Throw Kindness like Confetti" the children have had a visit from Mr Middleton who talked about our global neighbours and how we can show them empathy!

As always the children have worked hard! We are half way through the half term and a week from February! It goes so fast.

Thank you as always for your support and smiles, have a lovely weekend and if you are like me, doing Hyrox, Good Luck! I know I will see a few of you on the track.

Key Dates

- 26.1.26 Year 6 assessment week
- 27.1.26 Spelling Bee
- 28.1.26 Book Shop Visit
- 6.2.26 Young Voices
- WB 9.2.26 Mental Health Week

The Week Ahead

Next week is the Year 6 assessment week all week.

Monday evening Year 3 and 4 girl's football.

Tuesday is the KS2 Spelling Bee

Wednesday is the Book Shop Visit

Friday is the Year 5 and 6 Dodgeball Competition

Attendance

This week's attendance is **96.8%** with **19** late marks.

That is **256** lost learning hours this week in absence and **6** hours to children being late.

Star of the Week

Reception- Abbie O

Year 4 – Florence C - G

Year 1 – Sebby W

Year 5 – Georgia S

Year 2 – Isla B

Year 6 – Riley W

Year 3 – Poppy H

Sports

This week has been a week of Football, our KS2 girls have all played this week and done an incredible job. On Monday Year 5 and 6 played 3 games, they won all 3 with scores of 1-0, 2-0 and 1-0. Well done girls! On Thursday year 3 and 4 played 2 games, they lost one and won one with scores of, 4-3 and 3-4. They played really well as a team. Well done everyone!

Talk to the children

Every week I am going to share what we have looked at in our Collective Worships and pose a question for you all to talk about at home. This week's question to think about:

How can we spread kindness like confetti?

Excellent Work

I always love to see the children's work and one of the favourite parts of my week is having the constant stream of children celebrating their hard work. I see it all, from Nursery to Year 6, from art to writing, maths to RE.

I wanted to take this opportunity to tell you all how amazing the children of St Michael's are, how hard they work and how impressed I am each time.

World Book Day

On Friday 6th March we will be celebrating World Book Day. Children and staff are invited to dress up as their favourite character or wear comfy clothes!

Year 5 Trip

This week Year 5 went to visit Jodrell Bank where they learnt all about Space. They had the opportunity to see exhibitions and take part in workshops where they learnt and recapped things linked to their learning in school.

There have been stories of journal writing and children being excited about going through the entrance on a closed road (with permission don't worry!)

The children were brilliantly behaved and really shone with their values and enthusiasm. Well done Year 5!

Behaviour

I would like to ask parents to speak to their children about respectful behaviour, there are a few children in school who we are having to speak to repeatedly about answering back and being rude to others. Can you please reiterate the importance of manners and being respectful at home. Thank you

Performing Arts Club

St Michael's CE Primary School is offering two new opportunities: a Musical Theatre after-school club for KS2 children on Mondays from 3:30–4:30pm starting 23rd February (£3 per week, 15 places), and private one-to-one singing lessons during the school day for children in Years 1–6 (£55 per month for four weekly 30-minute lessons, 11 places). Both will be delivered by Niamh from Vivacity School of Theatre, and bookings/payment will be available via ParentPay.

TTRockstars and Numbots

Each week in Celebration Worship we give certificates for TTRockstars and Numbots, it is always similar children and I think we need to have a little bit of friendly competition! The more points that your children get on the app the more chance they have of their class winning and getting a certificate themselves. And it helps with their maths!
