A message from Mrs Perry

This week I have had the pleasure of visiting different schools in Trafford to look at the provision they offer, I always like doing this as it gives us new ideas and connections to support our children. It's also lovely to see that St Michael's is amazing!

Next week will be very busy with it being mental health week and other events in school, before we finish for the half term break, it has gone so fast!

Next half term we have a special event for all the children which will be funded through school, I am very excited to tell you all!

I also had a meeting this week with the Parent Forum about a recent parent survey, we have plans in place to deliver some workshops and working groups with families.

I can't wait until next half term, there are many events and adventures to be had!

Have a lovely weekend.

Show the Values

Living out our school values is something we ask of both children and staff every day. At times situations may cause frustration or upset, but it is important that we continue to treat one another with respect and kindness. We ask all members of our school community to support staff and model the values we want our children to learn.

Talk to the children

Every week I am going to share what we have looked at in our Collective Worships and pose a question for you all to talk about at home. This week's question to think about:

How can you show empathy through what you are thankful for?

Year 4 Swimming

This week year 4 really impressed us with how well they behaved and how mature they were when they walked to swimming. This week was their first lesson and they were amazing. Well done Year 4.

Year 3

The jump between year 2 and 3 is never an easy one but I can honestly say we are all very impressed with the progress and enthusiasm from year 3. Not only have they been working hard in school writing their name in Hieroglyphics there has been some amazing work from home too!

Young Voices

What a night! Young Voices never disappoints, the atmosphere and joy that comes with the event is amazing. The children sang, danced and partied hard. They were impeccably behaved and incredibly respectful. We hope the parents that came loved it just as much as we did.

Half Term Heroes

This week we went to Made Studios with the Half Term Heroes. We spent time drinking juice, eating biscuits and painting pots. The children were very creative and I can't wait to collect their creations for them.

Year 5 Dance

This week Year 5 invited their parents in to see them do the jive that they have been learning in PE. The dance is high energy and amazing. The best part for me was the smiles on the children's faces. Well done Year 5!

Wrap Charges

From Monday 20th April, charges for our wraparound care provision will increase following a governor review to ensure the club remains sustainable. The rise reflects increased staffing and food costs and allows us to continue providing high-quality, reliable care for children. We appreciate your understanding and continued support.
