A message from Mrs Perry

We have reached the end of another week of summer 2, the weeks seem to be flying by! Monday started with a few tired faces (including my own) and a worship delivered by Rev Huw, which was mostly just watching the football highlights. The celebrations have been ongoing throughout the week and we are very much hoping Saturday brings more of the same!

The weather is very hot again! The community event is being moved outside and we are hoping that there is no rain! If you are coming to the event we will see you there!

The next 2 weeks are very busy and there is a lot going on, particularly for year 6. Remember to check the dates so you know what your child is doing.

I am looking forward to going to the zoo on Monday with year 1 and am very much looking forward to watching (from a distance) the inflatable run next week!

Have a lovely weekend in the sunshine.

Community Event

Tonight is the community event; we will be holding it in the school playground because the hall is unbearably hot. Please remember your tickets!

Just a few reminders:

- No ticket no entry
- Children are the responsibility of families, any behaviour or safeguarding parents' responsibility and not that of school staff.
- Soft drinks, Ice Lollies and Sweet bags will be available for £1 or 50p so please bring change.
- Please do not bring footballs, they may hit people and aren't safe in the environment.

Thank you!

Talk to the children

Every week I am going to share what we have looked at in our Collective Worships and pose a question for you all to talk about at home. This week's question to think about:

If you were captain of a football team, what would you do to help everyone work together?

Rocksteady Concert

On Wednesday we had our final Rocksteady Concert of the year, the children performed in their bands and showed everyone what they had been learning! The children were brilliant! Well done everyone.

Agents of Change

Well done to Stanley U, Lauren U, Bree N, Cole L, Ethan D, Isaac D, Jenson R, Iris C, Miriam D, Lewis R, Charlie B, Lily L, Louis B and India S who went to the litter pick at church on Sunday! The turnout was amazing!

A big well done to Wade in year 4 who ran the Race for Life last weekend raising over £300 for charity and to Hadley in year 4 who also ran the Race for Life and has raised over £1000! You really are Agents of Change!

Football Fever

The children have really got into the World Cup fever! They have been talking about the match on Sunday, making use of the hydration breaks and suddenly breaking into the Norwegian Row.

Lets hope England can do the job tomorrow so we can carry on celebrating!

Reports

Your child will come home today with their end of year report.

Inside the report is a tear off strip for parent feedback, please take the time to respond as these are used to support us with things in school.

If you want to discuss your child's report for any reason, please message your child's class teacher directly on Monday.

Thanks
