A message from Mrs Perry

The end of the summer term and academic year is 1 week away and I honestly can't believe that it is nearly done. It has gone so fast this year that I feel I have blinked and missed it!

Thank you to all the parents who have sent back their report comments, they are shared amongst staff and they go a long way to help and support us to know what we can do to make things better and allows me to celebrate the successes of everyone. The community event last week showed once again what a wonderful community we have here at St Michael's. I know I am biased but it is a very special place.

Like lots of children in school I was sad to see England lose to Argentina on Wednesday. Unfortunately, it means that the letter I received from Elian and Jack requesting the day off, in return for chocolate, so they could celebrate football coming home can't be fulfilled!

Have a lovely weekend and I will see you on Monday ready for the final week of term! Uniforms all week apart from Friday.

Thank you!

Nursery Class Assembly

This week our youngest children did an amazing job showing us their learning all about people who help us. They sang a song, told us about different people and even showed us a dance they had been learning with Milli. Well done Nursery.

Talk to the children

Every week I am going to share what we have looked at in our Collective Worship and pose a question for you all to talk about at home. This week's question to think about:

If your family was a football team, what special role would each person have and why?

Inflatables

On Thursday, the children had a brilliant time on the Battlefield Challenge. They ran around getting wet and muddy, diving into ball pools, crawling under nets and sliding along the water slides! Even the staff got involved and loved it just as much.

School Council Trip

Our School Council representatives from Years 1–4 enjoyed a fantastic day at the Trafford Youth Conference. They explored wellbeing, communication and caring for the environment, created a poster for a future Trafford Youth event, learnt some basic sign language, made healthy rainbow salads and took part in an informed debate about protecting our local environment. They represented St Michael's brilliantly and should be very proud of themselves.

Teddy Bears Picnic

This afternoon our Year 6 and Reception children went to the park for their annual teddy bears picnic. They shared snacks and even got an Ice Cream from the ice cream van. THANK YOU to Mrs Ezard who kindly paid for the ice creams for the children!

Agents of Change

Well done to all our agents of change this week. Macie in year 6 who sold the rest of her enterprise stock and donated over £250 to British Heart Foundation, amazing work Macie.

Esme, Freya, Wade and George (and their Mummies!) completed the Race for Life and raised £316.25 for Cancer Research. Well done everyone!

Blackpool Zoo

This week year 1 went on their school trip to Blackpool Zoo to learn about the animals! They had a brilliant time and were amazingly well behaved. They enjoyed the sealion show and got to see the elephants while avoiding the sneaky seagulls trying to steal their lunch!

Thank you!

Mrs Moore is a lovely lady from the community that comes to school to read with the children in school. She loves coming in and always has a smile and a cheery story for us. Thank you for this year Mrs Moore!
