A message from Mrs Perry

What a year it has been! When we look back, it is hard to believe just how much we have packed in. From Agents of Change, the Curiosity Project and Starling sessions to Young Voices, singing festivals, buddy concerts, African drumming and Rocksteady, there has rarely been a quiet moment at St Michael's!

Our children have competed in sports competitions, gymnastics, Sports Hall Athletics, spelling bees and the Friendship Festival. They have enjoyed Forest School, Teach Rex, World Book Day, science and enterprise fairs, theatre visits, the pantomime, road-safety demonstrations, litter picks and more school trips than we can probably count.

Some ventured to London, while Years 4, 5 and 6 showed courage and resilience on their residential. We have celebrated together through class and celebration worships, nativities, Easter and Christmas services, Easter bonnets, Half-Term Heroes and, of course, our SIAMS inspection.

There have also been moments of sadness and some tricky times along the way. These moments have reminded us just how important kindness, empathy and community really are. Through it all, our children, families and staff have supported one another and continued to move forward together.

It has been a full, memorable and genuinely amazing year. Our children have made wonderful progress not only in their learning, but in their confidence, character and belief in themselves.

Thank you to everyone who has helped make it all possible. We are incredibly proud of our St Michael's family and everything we have achieved together. Have a wonderful summer and good luck to year 6!

Key Dates

1.9.26 Inset Day

2.9.26 Inset Day

3.9.26 Children return to school

16.9.26 Samba Band Starts for year 3

21.9.26 Bikeability – Year 6

25.9.26 European Day of Languages

29.9.26 Harvest Festival

7.10.26 Global Policing Internet Safety Day

Talk to the children

Every week I am going to share what we have looked at in our Collective Worships and pose a question for you all to talk about at home. This week's question to think about:

What are you excited about next academic year?

Year 6 Play

On Tuesday, Year 6 did their end of year performance. It was amazing! They were so very funny, confident and sang beautifully. Everyone loved it and we clearly are losing some very talented children!

Agents of Change

This week we have 3 Agents of Change, Isaac D in year 6 who has given up over 30 hours of his time to volunteer at the Little Green Sock. Isaac that is some achievement and just shows how much you care for others. Well done!

Our other Agents of Change are Eliza and Heidi in year 1 who gave up their own time to collect litter on our school field! Well done girls!

School Council Park

Yesterday we took the school council to the park to celebrate the end of the year. They had lots of fun and tired me out making me push them on the equipment!

Miss Jones

We need to say a fond farewell to Miss Jones. After 5 and a ½ years at St Michael's she is retiring today. Miss Jones has brought an amazing energy to our community; she is passionate, kind and a wonderful teacher. We know that she will enjoy every minute of retirement and we can't wait to watch her adventures. We will miss you Miss Jones!

Year 6 Leavers Service

On Wednesday we went to Church to celebrate the year 6 children. The children sang and danced, shared their memories and hopes for the future and received a gift. The children then came back to school and enjoyed some cakes and biscuits with their families while watching a slide show of their time here. We all forgot to take photos but here are some of them through the years instead!

Goodbye and Good Luck

We need to say huge Congratulations to Miss Lynch who gets married in the summer holidays! Have the best day Miss Lynch. We can't wait to see the pictures.

A huge Good Luck to Miss Cattell too, Miss Cattell has worked in our school for a few years now and has worked with many classes. She has been amazing but is going to do an admin job at another school. We will miss you. Good Luck!
