Full details of the service she offers along with a FAQ's page can be found on the website. Just make sure you select "**free collection from school**" as your postage option, unless you wish to pay for delivery to your home.

If you are not sure which size you require select the age/size you think is best and try it on. If you need a different size, please complete the online [Returns Form](#) first. Then place the item back in its original packaging complete with any tags, seal and mark "**myembroiderysupplies – returns**" and send it back into the school office. Then just place a new order for the different size you require.

Use the "**Contact us**" page on the website to email about any other queries you have. Alice has two school age children, so understands many of the problems encountered with school uniform as a parent and is always happy to answer any questions.
